Chairperson

Report:

Hello! (think Mrs. Doubtfire at the refrigerator)

Not a lot to report as everyone else handled stuff. Thanks for making this job easy this month.

It's the beginning of event season in NA, so please take flyers with you and talk up our event to anyone you go to, and if merch or registration is going to be at the event, please lend a hand or ask your sponsees and road dogs to help too.

We do need to design/finalize a flyer for the Campvention.

Report:

Good morning family,

Programming is going really well. Main speakers have been selected, and workshop speakers are also going very well. You all will be in for a real treat. Keeping with the Nacona tradition, programming will be outstanding again. Looking forward to a great convention. MACCNA is this coming weekend, and we would like to have flyers to take with us. Thanks for letting me be of service. Bob F.

Old Business

We discussed brochure changes that needed to be made. We also discussed wanting to add about us to the brochure. We sent out basic texts for the areas, and plan to send out the 200\$ this month as well. We need to come up with campvention flyers with a QR code that links to the website, prices, etc. We need to figure out the logistics of merch and get an idea of what we would like to offer.

New Business

Bake sale for Nacona was brought up, as well as a marathon meeting. There was no definitive answer for either one. 1000.00 was brought up for the campvention food expenses, and voting passed in agreement with the amount asked for.

Announcements

The next meeting location will be announced at a later date once the room is booked.
