I have been distributing registration flyers in Las Cruces and Albuquerque to help increase convention awareness and encourage attendance.

At this time:

- Las Cruces has approximately 2 confirmed convention attendees and 1 possible attendee.
- Albuquerque currently has 1 confirmed attendee and 2 possible attendees.

I have also been actively searching for additional service volunteers to assist with convention responsibilities.

In addition, Sean Micheal H. has agreed to help grill at the camp/vendor area during the convention.

**SUBCOMMITTEE REPORTS**

**Programming:**

Nacona,

We received an email from our Sunday speaker, and their flight is \$505. Our Friday and Saturday speakers are both driving, so I will be way under budget.

Bob.

**Information & Welcoming:**

Hello Community,

Since our last meeting, I have completed compiling a statewide list of recovery-based facilities. At this time, the list includes a total of 63 facilities. I contacted and spoke with one location and left messages for all remaining locations. I also removed any facilities that were not applicable.

Currently, I have identified 17 locations that are interested in receiving information about attending NACONA and possibly participating in the convention. These locations include:

- Casa Grande
- Yuma
- Cottonwood
- Tucson
- Cornville
- Phoenix
- Gilbert
- Wickenburg
- Flagstaff
- Mesa

I am currently completing the convention letters and preparing them to be mailed out. As convention time gets closer, I will continue following up with these contacts to obtain estimated attendance numbers and determine overall interest.

I am also gathering information for the Information Table and researching opportunities for free or discounted registration packets based on availability and willingness from participating facilities.

Thank you for allowing me to be of service.
