OFFICER REPORTS

CHAIR:

Good morning, NACONA,

Since our last meeting, I have been in contact with Anchor Point and Decision Point regarding participation in the convention. They are interested in having some of their clients work with the Welcome Committee. Both organizations have expressed a willingness to pay for registrations for these individuals, as they believe it is an opportunity for them to give back, become involved in service, and grow into responsible members of the fellowship.

I also attended the ARCNA and was present to discuss Alternative Merch. However, we were unable to present at that time.

Additionally, Dave H. purchased a full weekend registration and one-day pass for the convention and donated them to be used as raffle items. The raffle has been completed, and Registration has been informed of the winners.

In service,

Joe W.
